

ESTATE PLANNING

Klapach & Klapach has extensive experience representing clients in all aspects of estate planning. We are committed to helping clients protect their families from unnecessary exposure to taxes, probate, conservatorships, and the potential loss of government benefits, and maximize the transfer of wealth to loved ones. Every estate plan is specifically tailored to address the unique financial and personal circumstances and objectives of each client. Klapach & Klapach also reviews and updates estate plans to ensure that clients continue to protect their families and wealth, even as their families change, their businesses change, and the law changes. Our motto is: *Estate Planning for a Lifetime™*.
